Premier News EU

Description

Premier News EU is a first class, mild acid fountain solution with a very low dosage. The product contains a unique wetting agent package that promotes lower ink emulsification than other competitive products. This results in bold solids, brilliant colors, faster roll-ups and less waste. This product complies with FOGRA requirements.

Specifications

Flashpoint	: 99° Celsius
VOC	: 5%
Odor	: Mild
Appearance	: Bluish green liquid
Conductivity	: 1450 µS
pH	: 4.8 - 5.2
